PEDIATRIC CARDIAC RESEARCH & CARE.**

## DID YOU KNOW...

Congenital heart disease (CHD) is the #1 cause of birth defect related deaths?

**1 OF OUT EVERY 100 BABIES IS BORN WITH CHD.**

Since 2003, Big Hearts to Little Hearts has raised over \$1,000,000 to fund critical research projects, doctor and patient education and patient care for pediatric and adult cardiology. Our funding has made some very large impacts in the cardiac community over the last few years. We continue to support this life saving research as we grow each year. Big Hearts to Little Hearts is a fully licensed legal, non-profit 501c3 registered in NJ & PA.
